FRONTIER and The AC Crucial Updates

Hello AC and FRONTIER Family. It has been a while since last updating the community on some of our events that have recently been done. This document will hopefully answer all question and concerns that I have seen on my hiatus:

1. **FRONTIER**
   - **Summer Splash Vol 3**
     - As it stands, we have been constantly rejected by SoundCloud for the release of the album. We get feedback from the SoundCloud team, make the requested changes, and still continue to receive a rejection. We have since reached out to the support team, and have sent supported documentation to get over this obstacle. We apologize for the extended delay as we attempt to get past this hurdle.
     - In addition, we may result in using a *different distribution service* since SoundClouds ToS for distribution has drastically changed, which has been causing many unforeseen issues that could impact future FRONTIER Releases.
     - Updates and communication to our fellow FRONTIER members will be given regularly in regards to this.
   - **FRONTIER Vol. 4 // ORBIT**
     - With Summer Splash and the current events of SoundCloud issues, ORBIT will be postponed until further notice.
2. **AC EVENTS**
   - **Fall Fest/AC Fun in The Frost (Q4 Events)**
     - Due to the delays in Summer Splash Vol 3 and recent events, this year's Fall Fest has been **canceled**.
     - AC Fun in The Frost, our winter event, is still on schedule to be done this year. More announcements will be made this month by the event's coordinators.

With that said, we want to apologize for delays and the inconvenience of this year's events and FRONTIER releases. It has been a huge transitional period that we are still actively going through, and projected to be completed soon. We want to assure you that the FRONTIER Executive Team are working hard to combat the distribution battle, and we follow up with updates as soon as we receive them. We want to thank you all for your patience during this time, and hope to see you at Fun in The Frost!

Much Love
- Team AC
